

## Honoring America's Veterans

Dear Veteran;

On Saturday, June 17, 2017 the Hay Creek Valley Historical Association located at Historic Joanna Furnace, will be honoring American Veterans at the "Hay Creek Classic Car & Motorcycle Show". This free admission event is open to the public and will be held from 7 am to 2 pm.

Today we are asking for your participation. Veterans from all wars are invited to come out to this special celebration to share their war experiences with the public. However, we are also inviting Veterans and service personnel to have a booth at the event to display their collections and memorabilia. Veterans interested in booth space will be supplied with a table and chair plus will be placed under a tent. Note: Displays will open at 10 am.

This event was created to honor all American Veterans and to allow visitors to learn about the sacrifices that have been made for our country.

Other activities taking place at this year's event include: A car show that includes classic, antique, and military type of cars & motorcycles; Flag celebrations including raising and lowering presentations, a parade of military vehicles; and a special ceremony honoring you ... our veteran! Foods galore – Breakfast Buffet from 7 to 11 am and other American foods, such as; hot dogs, hamburgers, French fries, and ice cream available throughout the entire day.

Sincerely,

Mark Zerr  
HCVHA Executive Director
