

WE REMEMBER WWII

Commemorative Weekend at Historic Joanna Furnace

SATURDAY, JULY 20TH - 7AM-9:30PM

SUNDAY, JULY 21ST - 7AM-3PM

Dear Friends,

On Saturday & Sunday July 20th & 21st, the Hay Creek Valley Historical Association, located at Historic Joanna Furnace, will be hosting its 4th World War II Weekend. The purpose of this event is for the education of our visitors and the younger generation about the WWII era. We also strive to encourage respect and honor to our Veterans and past generations. The event atmosphere is like a family picnic of years past – plenty of food, games, families, and most of all the older generations passing down local and family history.

We would like to invite you to participate, with other Veteran's like yourself, in our Veterans area during the event. We will have a large tent set up for Veterans to gather together, share stories and experiences, display collections and memorabilia, and most importantly, spend time with our visitors. All Veterans are welcome to come and just spend time with other Veterans. Displays are optional.

This will be a wonderful opportunity for us to help you share your experiences in the WWII era with others and to help us honor you and all the participating Veterans. Your involvement will also help us educate our visitors and encourage them to learn more about the "Greatest Generation" and honor those in the Military, both past and present.

We hope you will consider joining us that weekend!

Sincerely,

Elisabeth Cook
