

Hay Creek Festival 2020

September 11th, 12th & 13th, 2020 / 10 AM to 5 PM Daily

Celebrating Over 40 Years of History in the Hay Creek Valley (1976 – 2016)

January 2020

Attn: Interpreters & Demonstrators:

The Hay Creek Valley Historical Association invites you to participate as a volunteer INTERPRETER and DEMONSTRATOR at the **44th annual celebration of the Hay Creek Festival!** This year's festivities will take place **September 11th – 13th at Historic Joanna Furnace 3 miles north of Morgantown, PA.** This longstanding community event attracts 10,000 visitors each year and offers something for the entire family, including; early American and home crafts, antique cars & tractors, Civil War encampment, period musical entertainment, numerous children's hands-on activities and so much more. The seven restored iron furnace buildings will also be open during the three-day festival and offer special displays and interpretive presentations.

After 40 years the Hay Creek Festival has a new look. All interpreters and demonstrators are now a part of the **Joanna Furnace Iron Works & Community** section of the festival. This means that your booth is now placed strategically on the historic Joanna Furnace Complex as it may have appeared 150 years ago. For example... domestic craft interpreters are placed near the ironmaster's mansion, village industry demonstrators with the historic furnace buildings and woodworking exhibitors are in one location near the bank barn site. **In addition, we invite you to be a part of the new education festivities at the festival to help promote your craft and/or trade impression. Details of these special activities are listed on the registration form.**

Attached you will find this year's registration form. **Registration deadline is May 1, 2020.** If you have any questions you can contact us at the phone number or email listed below.

Please consider joining us this September and be a part of this exciting change and special Hay Creek Festival anniversary!

Sincerely,
